Dear Mr Weisberg,

I wrote to thank you for refering me to the Assassination Archives and Research Center. They have been most helpful in my search for documents on the JFK assassination.

However, I have one more question to ask of you.

I was wondering if you could give me some thoughts of your own on the JFK assassination and the controversy surrounding it. It can be as brief or as detailed as your valuable time permits.

Again, I would like to thank you for your previous assistance.

With warm regards
Wallace Conley
